

FIRST BLOOD IN WORLD SERIES TO CINCINNATI

COUNCIL PLANS
NEEDED PAVING
FOR NEXT SPRING

Twenty-five Blocks of
Dixon Streets Are
Considered.

At last night's meeting of the city council, Mayor Mark D. Smith suggested a program of local improvements for the year 1920, which met with the hearty approval of every commissioner. The mayor stated that he favored the drawing up of such an ordinance including the improvements to be cared for next year as soon as possible in order that the work might be started in the spring and not held until the middle of the summer when both labor and material would probably be scarce.

In his proposed outline of paving improvements for the next year, the mayor favors concrete paving from Third street, south on Galena avenue, connecting with the cement at Seventh street, which will provide paving on the entire Lincoln Highway through the city. Hennepin and Peoria avenues are also included to receive a share of the improvement and probably Tenth street to connect up these two pieces. First street from Monroe avenue west to the switch tracks may also be paved with brick, making a total of about 25 blocks of paving to be laid next spring, providing that the council draft an ordinance providing for such an improvement.

Wants City Support.
Commissioner Slothower of the department of public health and safety, called the attention of the council to circumstances in which a family was quarantined yesterday for scarlet fever. The head of the family, according to the commissioner, was willing to be quarantined and shortly after the signs were tacked up on the house he filed with the commissioner a long list of groceries and other household necessities which he asked that the city provide. The list included toilet soap, laundry soap, kerosene, flour, coal and a long list of other articles. The council instructed the commissioner to take the matter up with Supervisor J. Sterling.

ILLINOIS WEEK IN CALIFORNIA OCT. 6
Los Angeles, Calif.—Former residents of the state of Illinois, who now claim Southern California as a residence place, will gather at Santa Catalina Island, an ocean island 27 miles off the entrance of Los Angeles harbor, to celebrate their "Old Home" week, October 6 to 12 inclusive. It is proposed to make this assembly at the perennial playground of the Southland an annual event.
James A. Tomlinson, president of the Illinois State Society here, has wired Governor Frank O. Lowden at Springfield and Mayor William Hale Thompson, of Chicago, requesting their presence at Catalina. If possible, William Wrigley, owner of the island, a Chicagoan, will attend. To Illinois fell the honor of being the first state to put on an "Old Home" week, which will be followed by similar celebrations at the island by other state societies, occurring in weekly succession throughout the autumn, winter and spring months.

PADDOCK IS GIVEN WATCH AT DEKALB
DeKalb—DeKalb fans were much disappointed when the dampness of the atmosphere prevented them from seeing Paddock, DeKalb's star pitcher, in action for the last time on the local diamond.
Despite the rain however, it was Paddock day anyhow, and the young flogger who gets a "White Sox" contract as soon as the world's series is over, was given an ovation all along the main stem all day.
One of the pleasant events of the day to him was the presentation of a handsome gold watch to the young man from his admiring local friends.

Our Foreign Trade Has Grown Rapidly
By Associated Press Leased Wire
Washington, Oct. 1.—The United States trade with foreign nations has grown enormously and reached ten and a half billion dollars a year with a balance in favor of this country amounting to \$4,182,000,000. Statistics of foreign imports and exports for the year ending August 31, just issued by the department of commerce, show that the year's commerce exceeded that of last year by more than one and one-half billion dollars, while the balance of trade in favor of the United States was more than one billion dollars larger.

THREATENED WITH FAMINE
By Associated Press Leased Wire
Vienna, Tuesday, Sept. 30.—(Delayed)—Flour supplies in Vienna are sufficient for only two weeks, according to city food controller, who predicts that more cannot be obtained after a very brief period. The Jugo Slav Italian situation is adversely affecting the transportation of meat northward from the coast.

SAYS S. D. & E. CAN'T
AFFORD SHARE COST
BRIDGE IMPROVEMENT

General Manager Alexander Met with Commissioners Tuesday.

E. D. Alexander of the Sterling, Dixon and Eastern railway, and Henry S. Dixon, attorney for the company, met with the city council in Mayor Mark D. Smith's office last evening for the purpose of discussing the possibilities of repairing the Galena avenue bridge. The discussion was lengthy but little was accomplished in the way of coming to terms.

Mr. Alexander announced that it was his intention to replank the west side of the bridge this fall, the east side having been replanked two years ago. To this suggestion, the mayor announced that no planking was going to be placed on the floor of the bridge while the steel was in the weakened condition that it now is. The head of the street railway proceeded to outline the hazards that had confronted the street railway in the past three years, when they have been operating at a marked loss and stated that the company, while ready and willing to meet anything in fairness is unable to stand the expense of one quarter of the estimated price of repair.

Mr. Dixon was strongly in favor of repairing the structure and so expressed himself. Mr. Alexander was also in sympathy with the others for the repair of the structure, but explained that the street railway company was not financially able to meet its appropriate share of the expense which the city estimates at one-quarter of the repair price.

MRS. ESTELLA DERR
SUMMONED BY MAKER
EARLY THIS MORNING

Mrs. Estella Derr of 610 Van Buren Ave., passed away at 12:15 o'clock this morning at the Dixon hospital, death resulting from a complication of diseases, from which she had suffered intensely since Sept. 16. Funeral services will be held at the home at 2:30 o'clock Friday afternoon. Rev. Guttor, pastor of the Congregational church officiating, and with burial at Oakwood cemetery.

Mrs. Derr was one of the pioneer residents of Dixon, moving to this city over half a century ago. At the age of three months, and from that time until her passing at the midnight hour she continued her home here. Estella Shull was born in Ambey March 9, 1856. Her husband, Jacob B. Derr, to whom she was married in her young womanhood, passed away 22 years ago, and one son Frank, also preceded her to the great beyond. She is survived by four children: Mrs. Jessie Kindstrom of Rockford, Mrs. Lillian Knight of Goldfield, Ia., and Mrs. Maude Hoey and Charles Derr at home. One step-son, Albert Derr of West Brooklyn, also survives.

NO GRENADE BANKS
FOR DIXON KIDDIES

Dixon children won't be able to obtain a hand grenade savings bank, according to a statement by the government director of savings at Washington.

It was reported a while ago that an arrangement had been made by the treasury department with the war department for a large number of hand grenades. It was proposed to manufacture savings banks out of the shells. The director's statement says that the war department had decided to retain intact the death dealing projectiles.

MAY BRING SUIT
FOR JANSSEN DEATH

Forreston, Sept. 30.—Suits for damages may be brought against the Illinois Northern Utilities company, it is intimated here, as a result of the electrocution on Sept. 20 of Ben Janssen, a part-time employee of the company, who lost his life while throwing a disconnecting lever separating power lines. It is alleged the switch was not a sufficient distance from the ground. The ground was wet at the time and the heavy voltage caused Janssen's death immediately.

ANNOUNCE CATTLE SALE.
Members of the Lee County Short-horn Breeders' Association will hold their annual Short-horn sale November 24th, at the fair grounds in Amboy.

THE WEATHER

By Associated Press Leased Wire
Chicago and vicinity—Partly cloudy tonight and Thursday, possibly showers; warmer tonight; moderate to fresh southerly winds.

Illinois—Generally fair in south, partly cloudy, possibly with showers in the north portion tonight and Thursday; warmer in north portion tonight.

GARY REPLIES
TO TESTIMONY
OF LABOR MEN

Steel Corporation Head
Denies Charges —
Wages High.

By Associated Press Leased Wire
Washington, Oct. 1.—If unions control industries in the United States, "it means decay and the dropping of productions," Judge Elbert H. Gary, chairman of the board of the United States steel corporation, declared today in presenting the corporation's side of the steel strike to the senate investigating committee.
"It means this country cannot keep up in the race with the world," said Mr. Gary. "It means the condition I fear England is in today."

Would Control Industry.
Reiterating that the "open shop" was the big issue in the present strike, Judge Gary declared that it was "the opinion of the world that open shops mean more production, better methods and more prosperity and that closed shops mean lower production and less prosperity."

"Here were these men," said Judge Gary, referring to the steel workers' national committee, "starting out, not for better pay, for better conditions—would never heard of their twelve points—but to get control of this industry. And what that means I think you know."

By Associated Press Leased Wire
Washington, Oct. 1.—Denying that the United States steel corporation had mistreated its men, as charged by union leaders, Judge Elbert H. Gary, chairman of the corporation told the senate committee investigating the steel strike today that in his opinion there was no basic industry in the world which had paid larger wages than his company.

"It has been stated before this committee," said Judge Gary, "that the steel companies have been guilty of ill treatment of their employees. Some statements have been made on misinformation and some absolutely without foundation."

"I wish to state, Mr. Chairman, that there is no basic industry in this country nor in the world, in my opinion, which has paid larger wages than the United States steel corporation and perhaps not as large nor has treated their employees in greater respect and consideration, if as great."

"It has been charged that during the pending strike the subsidiary companies have been guilty of attacking and mistreating employees."

Brands Statements False
"There isn't a vestige of truth in that statement. Photographs were displayed here, and it was said a woman was killed. This photograph has been posted all over America, with a line over it: 'Mrs. Fannie Sellins' body gruesomely mistreated by the steel trust's fiendish men.'"

"She was shot at Breckenridge, Pa. We have no works there, no men there. If she was killed it was without even the knowledge of the steel corporation or any of its employees."

"Hasn't your company investigated that matter in view of the charge?" asked Chairman Kenyon.

"The verdict of the coroner's jury," said the witness, "made it certain that no agent of ours had the remotest connection with her death."

"I have the certified copy of that verdict," said Senator Phipps, republican, Colo. "I'll file that."

"We have discussed the incident with some of our people," Judge Gary resumed, "not because we thought they might be guilty, but for information. Our orders and our policy are against any activity which could lead to anything of that kind."

During Coal Strike
R. V. Lindabury, counsel for the corporation, said the woman was killed during the strike of coal miners. Judge Gary said in his opinion the "shot" possibly was fired by the strikers themselves.

He added that his company had no interest in the coal mines where the riot occurred.

Senator Phipps read a certified copy of the inquest record in the case. The jury's verdict said the killing was by persons unknown and that the deputy sheriffs involved were firing in self defense.

Corporation Pays Deputies.
Chairman Kenyon asked whether deputy sheriffs were sworn in at the corporation's plants and were on the company's pay roll.

"I should say yes," said Mr. Gary. "So far as I know they have had nothing to do with any of these outbreaks."

He added that it was possible that some of the company's guards had participated in disturbances since the steel strike began, but pointed out that Mrs. Sellins was killed before the strike started.

PALMYRA GIVES
ADDED DONATION
TO ARMY DRIVE

Number of Townships
Still Short on Their
Quotas.

Latest reports from Palmyra township, reported to Major Brinton, Chairman of the Lee County Salvation Army drive committee, are that the township has considerably oversubscribed its quota in the Lee County campaign. Palmyra was reported several days ago as having "gone over the top." This additional subscription from this purely rural township is indicative of the right spirit among her residents.

There are a number of Lee county townships still to fill their quota. In many townships the allotted amount was raised quickly and easily, for the people appreciated the great work the Salvation Army had done in the war and the pressing need of funds for the carrying on of work at home right now.

The Salvation Army is "Back Home to Serve." Ask any soldier how well they served our boys in France and at the cantonments in America. There is no nobler cause to which we are privileged to give.

Ends This Week
The drive for Lee county's quota, which was extended to give ample opportunity to everyone to do his share, will be closed at the end of this week.

All Lee county people who have not made their subscription should see their township organizers at once. The quotas are very small.

PALMER WAITS
SENATE ACTION
TO NAIL H. C. L.

Bill Passed By House
Will Give Him Necessary Power.

By Associated Press Leased Wire
Washington, Oct. 1.—If the senate adopts the food control measure passed by the house yesterday Attorney General Palmer will be armed with the weapon which he considers necessary to make the government's campaign against the high cost of living effective. With the passage of the measure, the house adopted the last of the legislation recommended by President Wilson for reducing living costs.

Limits Foodstuffs
Prices are expected to be forced down if the bill becomes a law by the throwing of large quantities of cold storage products on the market, as the bill limits the time of holding food in cold storage to 12 months and requires that the date of its consignment to storage be stamped plainly on the commodity.

Heavy Punishment
Regulatory features of the measure become effective immediately upon its enactment while 90 days will be allowed for an adjustment of business before penalties will be applied. Violations of the law are punishable by a fine of \$1,000 or imprisonment for one year.

The other legislation asked by the president extending the provisions of the food control act to include feeding apparel, fuel, food, feed and fertilizer passed the house several weeks ago.

WILSON GROWS
BETTER DAILY

By Associated Press Leased Wire
Washington, Oct. 1.—With President Wilson's condition showing steady improvement, those attending him in his illness were concerned today in preventing any exertion which might cause a relapse.

Although Dr. Grayson had reported the president as "improving" in two bulletins yesterday, he prescribed rest again today for the patient and white house officials expected the prescription to stand for some days to come.

Although it was thought likely that the president would be permitted to give a small portion of each day to pressing official business, the most of the time is to be spent with his family at the white house or motoring.

TAXI ORDINANCE
IN EFFECT TODAY

Dixon's new taxi ordinance became effective this morning. The owners of the taxicab lines appeared at the city hall last evening and secured supplies of application blanks to be filled out by themselves and their drivers. These will be filed with the city clerk and brought before a meeting of the council next Tuesday evening for action.

Legion Took No Part
in Gary Police Work

By Associated Press Leased Wire
Gary, Ind., Oct. 1.—The misunderstanding that resulted from the activities here of the loyal American league in the steel strike was cleared up last evening when the American legion of Gary, composed of one thousand veterans of world war met and expressed surprise that the Illinois branch of the American legion should confuse it with the other body.

The Illinois branch of the veterans' association had ordered an investigation to establish whether Gary chapter had authorized strike work by its members.
Judge Scott has returned from a two-day business trip to Indiana.

375,000 STEEL
WORKERS IDLE;
A FEW GO BACK

Fear of One Big Union
Develops Among
Skilled Workers.

By Associated Press Leased Wire
Chicago, Oct. 1.—No extensive change in the general situation in the steel strike in the Chicago district was noted as the great walkout today entered its tenth day. There were indications at some of the plants in the area, notably at Gary, Ind., that work was being resumed on an increasing scale but union leaders had not diminished their claims of the number of strikers still affected.

Joliet, Ill., mills were busy today, work in some of them starting yesterday for the first time since the strike was called. At the plant of the Illinois Steel company at South Chicago the big Bessemer again was going.

Fear One Big Union
There were reports that the "one union" idea was entering into the situation, influencing many strikers to return to work. It was said the skilled laborers feared obtaining of control by the unskilled.

At Waukegan, Ill., conditions still remained most threatening of any in the Chicago district. No violence marked yesterday's progress of the strike, but 300 business men, who had been sworn in as deputy sheriffs, met to form a military company. That action was on advice of the state adjutant general who reported to the governor that there was no need at this time for militiamen to patrol at Waukegan.

Foreigners Are Leaving.
Booking agencies report that from 200 to 300 families of foreign born workmen daily are leaving East Chicago and Hammond, Ind., for their native countries.

375,000 ON STRIKE.

By Associated Press Leased Wire
Pittsburgh, Pa., Oct. 1.—With labor leaders advancing the claim that all plants in the Pittsburgh district have been crippled by the steel workers' strike, and the employers maintaining that more men are returning to work each day and that the mills are operating at nearly full time, the situation today remained as it has been for several days past, virtually unchanged.

More Than Last Week.
According to the latest figures from strike headquarters 375,000 iron and steel workers of the country are on strike, this representing an increase of 25,000 over last week's total. A majority of the men who joined the strike during the last three days, walked out from Bethlehem Steel company plants and the Jones and Laughlin company mills in Pittsburgh, strike leaders say.

The first show of strength by the strikers came last night, when a meeting was held here. It is estimated that more than 6,000 men attended the session. Speakers urged the strikers to be peaceful and warned them to have no association with radical agitators.

NO CHANGE AT BETHLEHEM.

By Associated Press Leased Wire
Bethlehem, Pa., Oct. 1.—Little change was apparent in the strike situation at the Bethlehem Steel company's plants today. Both sides continued to issue conflicting statements. A statement issued by the company last night said that 88 percent of its men were working, which was a gain of three percent over those reported at work the preceding day. David Williams, the strike leader declared that reports received at his headquarters show that from 75 to 80 percent of the workers are out.

MORE GARY MEN WORK

By Associated Press Leased Wire
Gary, Ind., Sept. 1.—About 400 strikers returned to work today at the Indiana Steel company. The street cars leading to the works were crowded with workers during the early morning hours. The corporation is said to have more than 4,000 men at work and is operating units in nearly every department of the big plant on a basis of about 35 per cent capacity. Union leaders dispute those claims and insist that the plant is not producing more than ten per cent of its capacity. There was a report in circulation that the steel officials were considering a plan of shutting down the Joliet, Ill. and Milwaukee, Wis., plants and bringing the men to this city who desire to work to the Gary plant.

No disturbances were reported.

MINNEAPOLIS WORKERS QUIT

By Associated Press Leased Wire
Ely, Minn., Oct. 1.—Demanding a \$6 wage and an eight hour day, abolition of the contract system and release of all labor union leaders from prison, 630 men employed by the Oliver Iron Mining company (United States steel corporation subsidiary) at the Pioneer and Sibley mines here last evening went on strike.

Sergt. Espy in New York—Mr. and Mrs. R. H. Espy have received word that their son, Sergt. R. H. Espy, Jr., landed in New York on Sunday. He was quite ill on the way back. The trip was made on the same ship in which Harold Drew, son of Mr. and Mrs. W. D. Drew is an ensign.

NICOTINE IN LARGE
QUANTITY WAS CAUSE
OF PURCELL'S DEATH

Mystery Deepened By Discovery of Poison in Man's Stomach.

Nicotine—enough of it to kill six men—caused the death of E. H. Purcell, former Sterling music teacher, who was well known in Dixon, in his flat at 631 Roscoe street, Chicago, a week ago last Monday morning. This was established yesterday by the coroner's office, but the question of "murder or suicide" remains as puzzling as ever.

Coroner Peter M. Hoffman, accompanied by his chemist, W. D. McNally, late in the afternoon reported to Capt. J. McCarthy of the Town Hall police station that they had found a teaspoonful of pure nicotine in the walls of Purcell's stomach. They believe it is of the same powerful quality as that used by gardeners for exterminating insect pests. The teaspoonful, according to Coroner Hoffman, would be sufficient to cause instantaneous death.

Found After Twenty Tests
Nicotine also was found on the towel tied about Purcell's head, as though meant for a gag, and on the victim's shirt front in several spots.

The poison was found only after twenty tests had been made by the chemist. Nicotine, an alkaloid, was sought only after the other nineteen tests had failed, because it has rarely been used as a means of ending human life, either by suicide or murder.

According to Coroner Hoffman's best information, only seven cases of death from nicotine poisoning have been chronicled in Chicago. They resulted from mistaking the poison for medicine or by forists inhaling a quantity while at work spraying flowers.

Aside from its employment as a destroyer of insects, the drug has found few uses. It sometimes is injected into

3 MEN CONFESS
DOCTOR'S DEATH

By Associated Press Leased Wire
Chicago, Oct. 1.—Three men, James Kloris, and two cousins, Christ Parris and George Pappas, today were under arrest charged with the murder of Dr. Adrian Reginald Karreman, whose body was found early yesterday morning in his burning home under mysterious circumstances. Confessions were obtained from the three men, according to the police.

They were tenants of Dr. Karreman and became enraged at him, according to their alleged confessions, over litigation that threatened to deprive them of a store operated by Kloris with his brother Louis.

Dr. Karreman, 55 years old, was a surgeon major in the first Illinois reserve militia. He had practiced medicine 25 years.

FIFTY ARRESTED
FOR OMAHA RIOTS

By Associated Press Leased Wire
Omaha, Neb., Oct. 1.—Fifty men and boys have been arrested in connection with Sunday night's rioting when Will Brown, a negro held for assaulting a white girl, was lynched. Among the prisoners is Sol Francis, 12 years of age. All of the arrested are held for either murder, inciting to riot, or assault to commit murder and wilful destruction of property.

A special grand jury will convene October 8 to inquire into the charges against the men.

Mayor Will Recover.
Dr. E. C. Henry, physician attending Mayor Smith, who was nearly hanged by the mob, stated early this morning that the condition of the mayor was such that he thought all danger past.

VAN HAS SOLUTION
OF COAT MYSTERY

Chief Van Bibber has solved the overcoat mystery which was brought to his attention Monday, when he received an express package from Sterling. It has developed that the coat was probably taken by mistake, as an old overcoat which was left and turned over to the police, was found to have the name of the Sioux City party in one of the inside pockets.

The chief is of the belief that one of the three men who was questioned by him last spring recovered the coat belonging to George Patterson and sent it on with instructions to either forward the one left here to its owner or burn it, leaving this to the discretion of the police official.

LITTLE BETTING IN
DIXON ON BIG GAMES

While the Chicago White Sox are favorites of Dixon fans for the world's base ball honors in the big series which starts at Cincinnati this afternoon, but little money has been wagered in sporting circles according to obtainable information. Cincinnati backers are demanding odds, which may account for the lack of betting. Should the Reds win from Cicotte in today's game doubtless more Cincinnati money will be in evidence in the remainder of the series.

Chicago—J. Collins, rf. Rath, 2b. Weaver, 3b. Daubert, 1b. Eddie Collins, 2b. Groh, 3b. Jackson, if. Roush, cf. Felsch, cf. Duncan, if. Gandil, 1b. Kopf, ss. Risberg, ss. Neale, rf. Schalk, c. Wingo, c. Cicotte, p. Reuther, p.

By Associated Press Leased Wire
Redland Field, Cincinnati, Oct. 1.—The Cincinnati Reds won the initial game of the world's series of 1919 today by the overwhelming score of 9 to 1. The heavy hitting of the National leaguers, combined with the fact that Eddie Cicotte, the White Sox star pitcher, was forced to retire, stood out as the features of the opening contest. The hitting of Walter Ruether, the Red's pitcher, was the outstanding brilliant performance of the victors, the southpaw getting three hits out of three times to bat, including two triples. Ruether's pitching was also of the highest class.

Sun Shone Brightly.
With the sun shining brightly, and with every indication pointing of fair weather, nothing stood in the way of the playing of the initial game of the world's baseball series between the Cincinnati Reds and the Chicago White Sox for the premier honors of baseball and a goodly amount of the coin of the realm.

Two hours before the time for the game to start, the pavilion and bleachers of the park were filling up rapidly, while only a scattering of spectators were in the grandstand and boxes.

More than a dozen bands or orchestras entertained those who had journeyed to the park early and numerous quartets and individual vocalists vied with each other in singing popular airs.

Umpires and Ground Rules.
Official announcement was made shortly after noon of the assignment of umpires. Rigler will officiate at home plate, Evans at first base, Quigley at second and Nallin at third base. Tomorrow the umpires will rotate, Evans officiating behind home plate.

Reds Appear Early.
The Reds appeared on their bench at 12:33 p. m. and were given a vociferous welcome. A band paraded around the field, stopping for brief periods in front of the pavilion and various sections of the bleachers.

Sox Arrived at 12:44.
The Reds began batting and fielding practice at 12:30 p. m., Ring serving the offerings to the batters. A battery of photographers and moving picture operators took up positions to the right of the plate and caught the Red batters in action. The field in front of left and right field bleachers served for standing room for several thousand fans, the only open space being in center where the green back fence is. The White Sox came on the field at 12:44 and began tossing the ball to each other in front of their bench, which was on the left side of the plate.

Williams of the Sox took Kerr's place and warmed up for a few moments. Forty-five minutes before the time for play to be called the grandstand, boxes and pavilion were only half filled, but few seats remained untaken in the bleachers.

Manager Moran and Gleason shook hands at the home plate while the photographer scrambled for advantage of positions.

At 1:17 the ball rang and the White Sox trotted on to the field. They received a big ovation.

Sullivan served up the balls for the batters. Jackson cracked his first offering into the right field crowd.

At 1:45 p. m. the White Sox took the field for their official practice and received another big ovation. Eddie Cicotte began warming up for the visitors. An airplane flew over the field and they trotted to their places.

First Inning.
SOX.—J. Collins singled to center. It was a line drive that landed directly in front of Roush. Eddie Collins forced J. Collins at second. Ruether to Kopf, on an attempted sacrifice. Ed die Collins out stealing. Wingo to Rath. Weaver fled out to Roush, who made a great one-handed catch. No runs, one hit, no errors.

REDS.—Rath was hit by a pitched ball in the back and walked to first. Daubert singled to center. Rath taking third. It was a clean drive through second. Groh fled to Jackson and Rath beat Jackson's throw home, Daubert remaining on first. Daubert out on attempt to steal second, Schalk to Risberg. Roush walked and stole second. Schalk's throw was too high. Duncan was thrown out, Risberg to Gandil.

(Continued on Page 4.)

SEE GERMAN SCHEME TO BUILD UP ARMY DESPITE ALLIED LAW

**American Officers Think
Prussianism is Still
Alive.**

With the American Forces in Germany, Sept. 1.—Correspondence of the Associated Press.—An entirely new scheme for establishing a reserve army in Germany in anticipation of some future opportunity to establish German military power is seen by some German newspapers in a plan they have just discovered and exposed.

While the scheme is confined to only one regiment and so probably has no sanction from the War Ministry it is an indication, in the opinion of American army officers who for eight months have been studying demobilization of the German forces, of how hard Prussian militarism dies.

The Lightshock corps in Westphalia, now the Sixty-second Reichswehr (National Army) regiment of the Thirty-first Reichswehr brigade, has sent out circulars to all men who have served in this volunteer unit since the armistice, urging them to sign a pledge to answer to a call to the colors in the event of general disorder or a new revolution. The Freiheit, the Independent Socialist organ in Berlin, suggests that the men responsible for the scheme really have in mind something more than suppression of disorders, the paper then quoting from the circular as follows:

"Soon the time will come when the Fatherland will have need of every resolute and proven arm."

The circular, according to the newspapers, says that the corps is organizing a "reserve" from among the best of its released soldiers, this reserve to be called into the service of the corps in time of need. Details are then given of the method of issuing such a call. The Freiheit, in a recent issue, demanded to know who had given the corps the

right to establish such a reserve and to promise regular Reichswehr or National Army pay to these "reservists" whenever called.

AMUSEMENTS

NOVELTIES GALORE

With Arnold and Quick's Greater Minstrels at Opera House Tomorrow Night.

Arnold and Quick's Greater Minstrels which come here on Thursday night, has ever new and original, more novelties than have even been presented by any travelling minstrel. Something new is what the public wants and that can be seen with this noted company. Probably the best singing chorus, together with soloists in the country compose the roster of this attraction. The Golden Gate Quartette, known the country over as the best singing quartette ever heard, are also with Arnold and Quick. The management have secured the very best talent that could be secured and have succeeded in presenting the best all around minstrel that has ever been offered.

Shipyard Walkout Not to Be Stopped

By Associated Press Leased Wire
San Francisco, Oct. 1.—With shipyard workers on strike at Tacoma, Wash., and Eureka, Calif., and orders for a walkout effective at all other important ship building centers on the Pacific coast district here today was that government action taken in Washington late yesterday had come too late to prevent at least a temporary tie-up of all yards working on government ships.

The men demand an average increase of eight cents an hour over the "May scale" agreement which expired at midnight last night.

YOU SHOULD SEE

The new, smooth finish Majestic ranges on display at Ferguson's hardware store, are beauties. You should see them this week during the special demonstration.

NICOTINE IN LARGE QUANTITY WAS CAUSE OF PURCELL'S DEATH

(Continued from page one.)

the body in cases of bladder paralysis, but never is taken through the mouth. It is sometimes used as an antidote for strychnine.

First Nicotine Murder

Purcell's death may be the first "nicotine murder" case in police annals.

The suicide theory has been weakened by failure to find any remnants of the drug about the house or to locate its container. If it was taken direct without being diluted, Purcell must have dropped dead. That it was contained in some article of food is a theory that will be traced today by complete analysis of every article found on the "camouflage breakfast" table that is a feature of the death mystery.

Coroner Hoffman announced the chemist's findings at a meeting of the Purcell family with Capt. McCarthy. Before they were told the result of the analysis members of the family were questioned regarding any medical attendance Purcell has had in recent years. No information pointing to a reason for the nicotine found in the stomach was unearthed.

Neither was there any nicotine in the house, according to the family, nor had relatives ever heard of it as a drug.

Brought There for Murder?

Consequently the police are forced to believe the poison was brought into the house by some person or persons intent upon taking the life of the musician. Had he brought it home, contemplating suicide, the container would have been found in the exhaustive search of the premises which has been made, it is believed.

A large bottle of syrup found in the kitchen, close to the body, is being tested for traces of nicotine, the police said last night.

Finger prints found on this bottle were those of the dead man, however. The finger prints of the woman or small handed man found on the under side of

the plates on the dining room table are still unaccounted for.

Findings of the drug which caused Purcell's death may lead to the solving of what veteran police have termed "Chicago's greatest death mystery."

He was found tied to a kitchen chair, his hands held by a rope that might have been placed in position by him but for the fact that the coroner's physician, William Burnmeister, after viewing the body, declared it had been placed on the chair after death. Rigor mortis, it was believed, had set in after the rope was tied, for there was no sign of a flesh mark to indicate Purcell had moved after the rope was affixed.

On the dining room table stood dishes and food, placed there to indicate three persons had breakfasted. But the food was untouched.

One piece of toast had been broken into three pieces and distributed about the plates, with the evident intention of making it appear each of the three persons had eaten. No butter had been eaten.

Cup Contents to be Tested

But in the bottom of each of three cups was a small amount of coffee. Two of these cups had not been used to drink from, it was found. The third had. The contents of these cups, carefully preserved by the police, will be tested for traces of nicotine, as will the pieces of fried mush and egg found upon the table.

The first opinion of the coroner's experts offered at the opening of the inquest, was that Purcell died of heart failure, as he was known to have a weak heart. It was pointed out yesterday that the results of nicotine poisoning and heart failure are about the same.

Brief Summary of Last Night's News

COLUMBUS, OHIO.—The state supreme court has affirmed the lower state courts in holding valid a proposed referendum on action of the state legislature in ratifying the federal amendment.

FIUME.—Gabriele D'Annunzio proclaimed Monday that "I consider myself in a state of war with Jugo Slavia."

He said that measures had been adopted to meet any attack from the enemy.

WASHINGTON.—The senate confirmed the nomination of Brand Whitlock to be ambassador to Belgium.

NEW YORK.—General Patrick

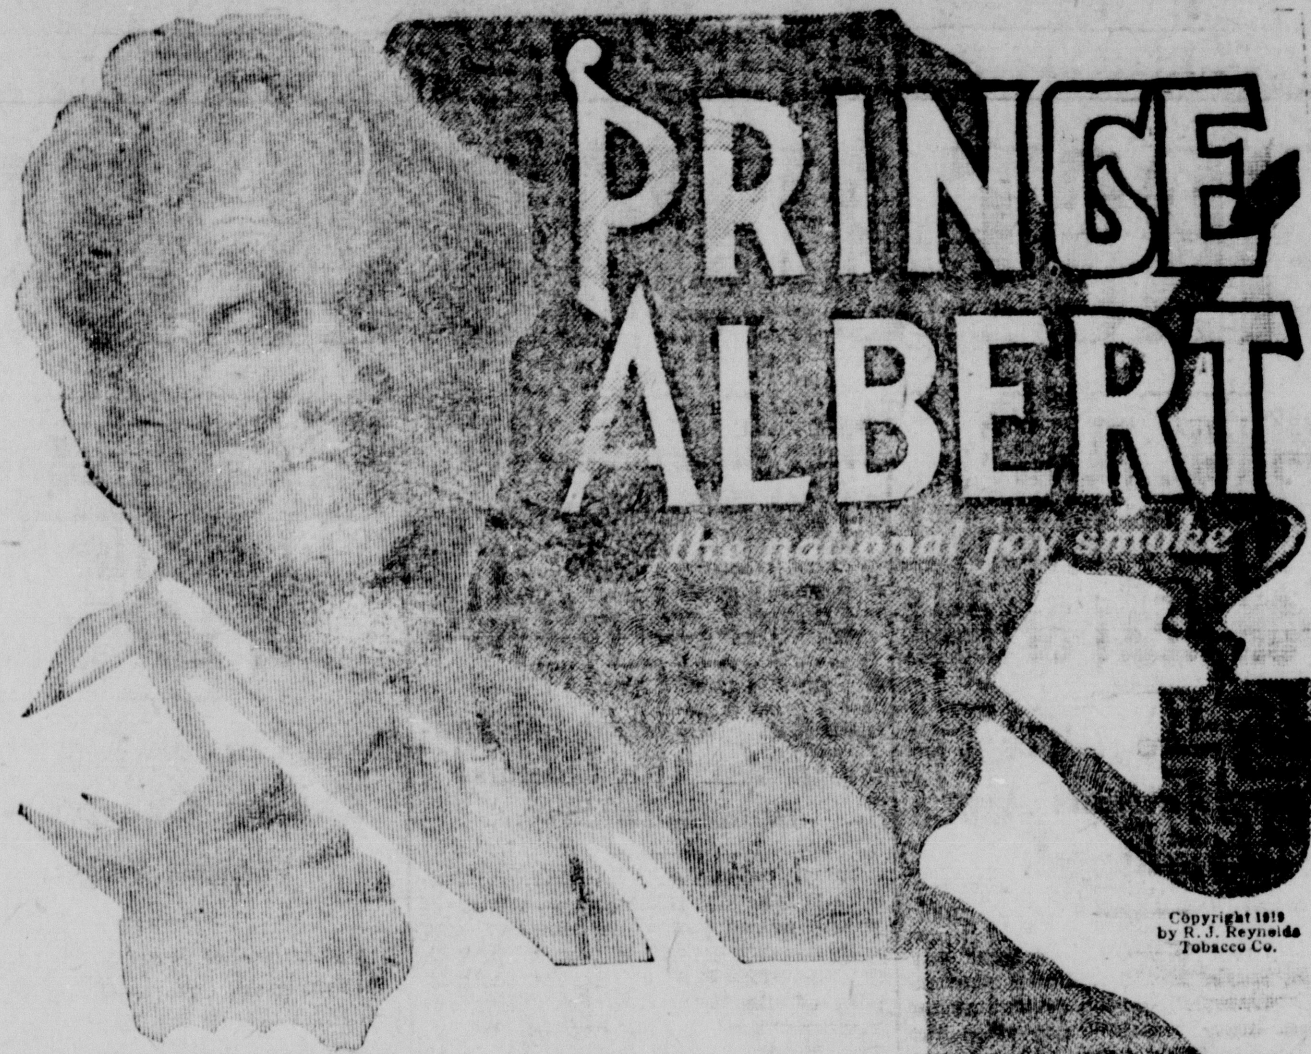

Egan, one of the founders of the home rule movement in Ireland, is dead.

CINCINNATI.—Pete Herrmann and Sammy Sandow boxed ten rounds. No decision was given.

BERLIN.—The great wooden Von

Hindenburg monument which during the war was studded by the populace with nails, representing so much money will be demolished this week according to the Vossische Zeitung.

Mr. and Mrs. H. G. Reynolds entertained last evening at dinner.

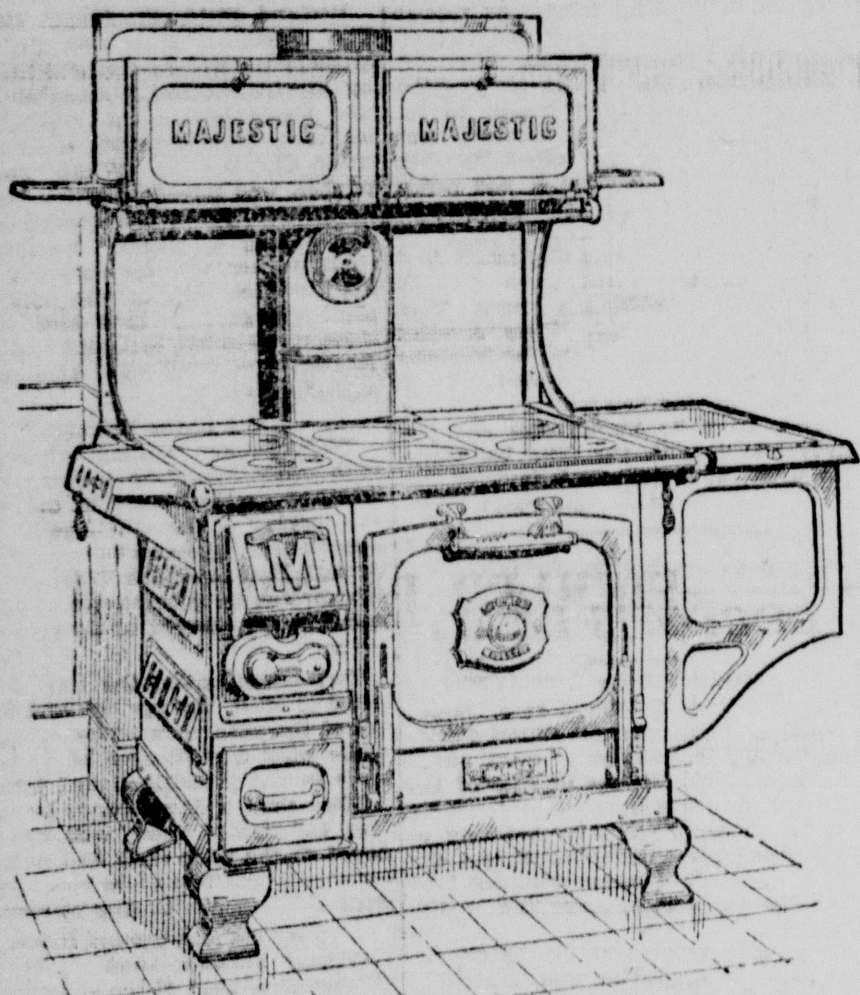

NO use arguing about it, or making chin-music in a minor key! If you've got the jimmy-pipe or cigarette makin's notion cornered in your smokeappetite, slip it a few liberal loads of Prince Albert!

Boiled down to regular old between-us-man-talk, Prince Albert kicks the "pip" right out of a pipe! Puts pipe pleasure into the 24-hours-a-day joy's class! Makes cigarette rolling the toppest of sports! P. A. is so fragrant, so fascinating in flavor, so refreshing!

Prince Albert can't bite your tongue or parch your throat! You go as far as you like according to your smoke spirit! Our exclusive patented process cuts out bite and parch!

Toppy red bags, tidy red tins, handsome pound and half-pound tin humidors—and that classy, practical pound crystal glass humidor with sponge moistener top that keeps the tobacco in such perfect condition.

R. J. Reynolds Tobacco Company, Winston-Salem, N. C.

THE BARGAIN

—AND IT'S WELL WORTH
YOUR WHILE!

Through special arrangements with the manufacturers, and during this Bargain Week only, a beautiful, useful and substantial set of Cooking Ware will be given with every Majestic Range sold. This ware is good ware (not cheap ware)—it's worth a lot to you. Come and see for yourself.

And Remember—

The price of a Majestic Range this week will not be increased, and there will hardly be a great reduction for years to come, if ever, but there may be an increase soon.

TWO NEW AND IMPORTANT FEATURES

The Wonderful Unseen Riveting

Yes, it's rivet-tight, just like the old Majestic, but the rivets clinch inside of nicked parts, leaving nickel smooth as glass, and there are no big, bulky bolt-heads on the inside. And, remember, rivets hold tight; bolts with only one or two threads holding are bound to work loose and cause no end of trouble. The Majestic is smooth inside and outside—it's a striking beauty—more than skin deep.

If you haven't a MAJESTIC avail yourself of this opportunity to get acquainted with this wonderful range—know the inside of ranges

E. J. FERGUSON, HDW.

Dixon, Illinois

Great Majestic Range Bargain Week

Special Demonstration and
Bargain Sale of

Majestic Ranges

At Our Store—One Week Only

SEPT. 29, to OCT. 4

To Be Truly Economical There Should
Be a Majestic in Your Kitchen

Economy is **not** merely spending the least money—buy a range at too low a price is indeed false economy.

The first cost is not the only cost—the little additional first cost of a Majestic is **nothing** compared with its economy of fuel, durability and satisfactory service.

Nearly a million Majestic Ranges, now economically, scientifically and satisfactorily serving millions and millions of people, civilians and soldiers, is proof positive of their superiority over all others.

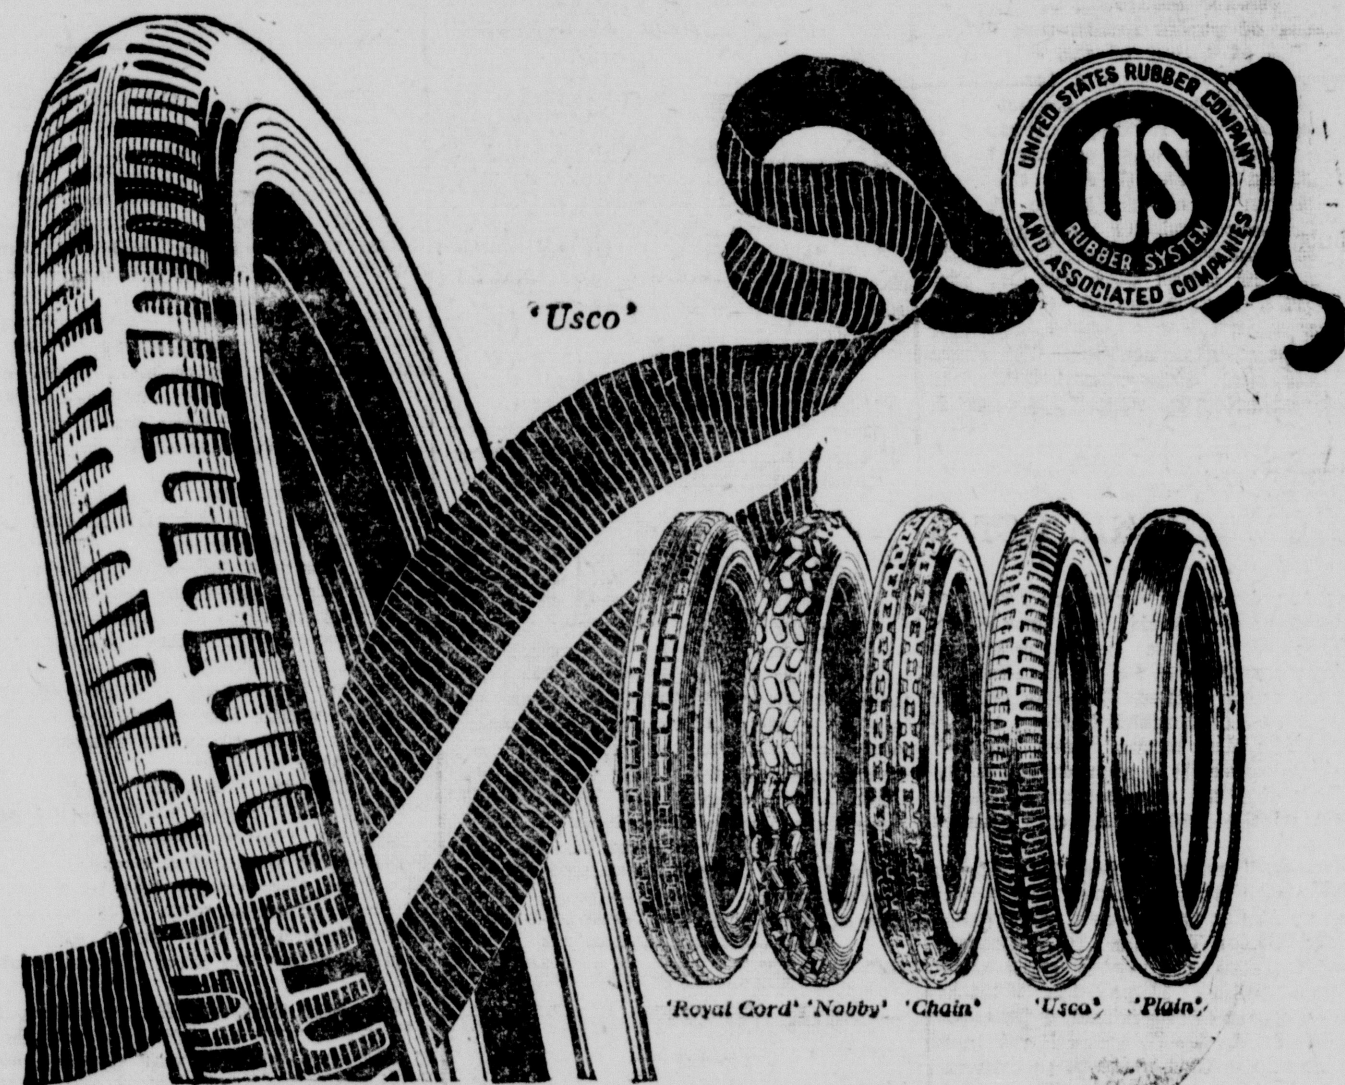

There is only one best. The public has judged. The Majestic is recognized as the standard of all ranges. The construction, material, workmanship and beauty of this wonderful range is unequalled, and it embodies important features possessed by no other range.

Your Opportunity is Here—

At our store—during our Majestic Bargain Week. It's your chance to get acquainted with real facts about ranges. We assure you it will be worth your while to investigate.

Oh, Joy! Top Needs No Blacking

A smooth, highly polished cooking top, burnished blue, not only adds to the beauty of the Majestic, but absolutely eliminates the work, dirt and worry of trying to keep the range looking nice—just an occasional thin coat of paraffine retains its beautiful velvet blue color.

We Vouch for Them

Of all the tires that are made, —why do you suppose we prefer to sell United States Tires?

Because they are made by the biggest rubber company in the world. And they know how to build **good** tires.

They have choice of materials,—they have immense

facilities,—they employ **many** exclusive methods.

They can go to greater lengths in testing, improving and perfecting the things that make **good** tires.

We find it good business to sell United States Tires.

And—you will find it good business to buy them. They are here—a tire for every need.

United States Tires are Good Tires

We know United States Tires are **good** tires. That's why we sell them.

FOR MRS. HOBERG—

Mrs. John Moore and Mrs. James McGrail entertained with a farewell party Monday evening for Mrs. Walter Hoberg. The affair was given at the home of Mrs. Moore and was participated in by about twenty guests. The house decorations for the occasion were in pink and white, music was enjoyed during the evening, and refreshments of ice cream and cake were served. As a farewell gift Mrs. Hoberg was presented with a set of handsome cut glass goblets. Mrs. Hoberg has many friends here who regret greatly her leaving Dixon. She left today for Peru which is to be her home.

HONOR BIRTHDAY—

Charles Heckman, of Polo, formerly of this city was happily surprised by a company of friends who gathered at his home on Sunday, September 28th, and aided him in celebrating his birthday. A sumptuous dinner was enjoyed. Guests included Mr. and Mrs. C. Wilson and children, Mr. and Mrs. A. Kline and children, Mr. and Mrs. R. Sanford and son, Mr. and Mrs. Bomberger and son, Mr. and Mrs. H. Kinney and family, Mr. and Mrs. Charles Waterbury, Mr. and Mrs. Altenderfer and son, and Mr. and Mrs. P. O. Heckman. Mr. Heckman received a number of gifts which he highly appreciated.

FOR PASTOR AND WIFE—

Rev. G. H. Putnam, new pastor of the Congregational church, and Mrs. Putnam will be guests of honor at a reception to be given by the members of the church on Friday at 7 o'clock in the church parlors. All the members and friends of the church are cordially invited to be present and extend to the new pastor and his wife a welcome. An interesting program has been arranged for the evening's entertainment.

ST. PAUL'S LADIES' AID MEETS—

The Ladies' Aid society of St. Paul's Lutheran church will hold its regular meeting at the church Thursday afternoon at 2:30 o'clock. It is very desirous that all the members be present as well as all other ladies of the church. The annual election of officers will be held and many matters of importance will be brought up and discussed.

AT STERLING DINNER—

Mr. and Mrs. Dudley Woodworth, son Burton, just returned from France, and daughter, Miss Louise, and Herbert Harden will be entertained at the home of Judge and Mrs. L. L. Weaver at 7 o'clock dinner this evening.

VISITING HER PEOPLE—

Mrs. J. T. Dunlap, of Kansas City, Mo., is here visiting her parents, Mr. and Mrs. James Geer, and brother, F. W. Geer. Her husband will join her here later and they will return together to Kansas City.

WITH OREGON FRIENDS—

John I. Shaeffer and family, of Palmyra, motored to Oregon on Saturday and had dinner at the Aaron Book home.

HERE FROM MENDOTA—

Miss Cora Miller, of Mendota, spent the week-end with her parents, Mr. and Mrs. Philip Miller.

To the Ladies of Dixon:

We are in your city with 1,000 recommendations from your neighboring towns for the Chemical Cleaner known as

Cedar-Clene

We are on an advertising campaign and ask your indulgence for a few moments when our demonstrators call. Cedar-Clene is a chemical restorative and preservative composed of Oil of Cedar, roots, herbs and chemicals, compounded to produce the best cleaning preparation for rugs, carpets, tapestries and clothing on the market today. Cedar-Clene has long been identified with the best. Every box with a money-back guarantee printed on every label and backed by the maker.

The demonstrators will explain it all and we will rely upon your judgment. We thank you.

Cedar Products Co.

TO SING AT ST. PAUL'S—

Sunday morning at St. Paul's Lutheran church, Miss Marjorie Slothower will sing, "O, Divine Redeemer," by Gounod, with Miss Eleanor Coppins, organist, and Miss Alice Coppins, violinist, furnishing the accompaniment. This is one of the numbers sung by Miss Slothower at the Assembly this summer.

D. A. R. MEETING—

Dixon Chapter, Daughters of the American Revolution, will hold a meeting at the home of Mrs. Petre and Mrs. Cupp, 511 Peoria avenue, Saturday afternoon at 2:30 o'clock. A full attendance of members is desired. Miss Fannie Murphy will give her paper on "Americanization" and Mrs. R. W. Thompson will give current topics.

WITH MRS. MEYERS—

The Young Woman's Bible Class of the Methodist Sunday school, taught by Mrs. Shawyer, will hold a meeting on Friday afternoon at 2:30 o'clock at the home of Mrs. Charles Meyers, 111 East Boyd street. All members are urged to be present.

WERE GUESTS AT SUPPER—

The Misses Charlotte Campbell, Margaret McFague, Irma Brown, Anna Marie Worthington, and Leota Rice were entertained on Sunday evening at a waffle supper, given by Miss Irma Slauter.

TO CAMP AT GRAND DETOUR—

Misses Pansy Himes, Edith and Gertrude Witzke, Irene Palmer, and Nora Gottle will camp in the Kahler cottage in Grand Detour this week-end. They will start camping Friday.

AT HENRY HEY HOME—

Mr. and Mrs. B. Stoltz, of Lisbon, Ia., are here visiting their son-in-law and daughter, Mr. and Mrs. Henry Hey, Mr. and Mrs. Stoltz formerly resided in Sterling.

ENTERTAINED SUNDAY—

Mr. and Mrs. N. B. Burtfield entertained at dinner Sunday, Mr. and Mrs. George Logan and family, of Rock Falls, and Mrs. Burtfield's brother, Prof. W. E. Stott, of Sterling.

AT DR. CLEVELAND HOME—

Mr. and Mrs. Carson, of Iowa City, are guests of Dr. and Mrs. Cleveland. All were guests at dinner at the Nachusa Tavern last evening.

UNITY GUILD—

The Unity Guild of the People's church will hold its meeting with Miss Carrie Swartz, 826 North Galena avenue, on Friday afternoon.

AT DR. OWENS' HOME—

Mrs. Wallace Templeton and son are guests at the Dr. E. E. Owens' home. Mr. Templeton returned to Chicago, their home, after a week-end here.

POSTPONED MEETING—

The Luther League of the German Lutheran church has postponed its meeting from next Tuesday until a week later.

AT NACHUSA TAVERN—

Mrs. Tibbets is closing her cottage at the Assembly Park and will take rooms at the Nachusa Tavern for the winter.

GERMAN LUTHERAN AID—

The Ladies Aid society of the German Lutheran church will hold its meeting tomorrow afternoon in the church.

ST. PAUL'S CHOIR—

St. Paul's choir will meet for rehearsal at the church at 7:30 Thursday evening.

TO KANSAS CITY—

Mr. and Mrs. J. H. Lievan and daughter, Miss Josephine, leave this evening for a visit in Kansas City, Mo.

WITH MISS MILLER—

Miss Anna Warner, of Shannoa, was a guest Saturday of Miss Lina Miller.

ENTERTAINED—

Mrs. W. J. McAlpine entertained friends yesterday afternoon at cards.

ENTERTAINED FOR MISS LAWTON

Miss Florence Lawton was honored this afternoon of a delightful affair given by Mesdames Charles Mensch, A. R. Beede, and Carrie Cleary at the home of the former in Palmyra. A miscellaneous shower was given Miss Lawton, who is to become the bride of Walter Mueller, of this city, in most unique fashion. A "Rocky Road to Matrimony," along which the bride-to-be traveled to collect her gifts, was arranged, the gifts done in brown paper wrappings in order they might simulate as nearly as possible "rocks." Delicious ice cream and cake was served as the refreshments and cut flowers were used in the house decorations. About forty guests were present.

ENTERTAINED CLASS—

Mrs. Thomas E. Huitts entertained her class of girls from the Brethren Sunday school, the "Anticant" class, at her home, 1219 Third St., Tuesday evening. The twelve members enjoyed a delightful evening in music and games and the delicious luncheon served by Mrs. Huitts.

SCRAMBLE SUPPER—

Miss Florence Nettz will entertain this evening with a scramble supper at her home, Misses Anna and Frieda Johnson, Mrs. Eleanor Curtin, Mrs. Stuart Nettz and Miss Dorothy Hall.

WITH MRS. HANES—

Mr. and Mrs. Joseph Young and family, of Mount Morris, and Mrs. Charles Noble and children, of Spencer, Ia., were guests Sunday at the home of Mrs. Mary Hanes.

ATTENDED SHOWER—

Mrs. Charles Russell, of this city, was a guest at the shower given Miss Florence Lawton at the home of Mrs. Charles Mensch, today.

SPENT WEEK-END—

Miss Anna DuMuth, of Freeport, was a week-end guest at the home of Mr. and Mrs. R. L. Johnson. She returned to Freeport Monday.

IN NEIGHBORING STATES—

Mr. and Mrs. J. H. Lievan and daughter, Miss Josephine, leave today for a three or four weeks' visit in Iowa, Kansas, and Missouri.

FROM CHICAGO VISIT—

Mr. and Mrs. James McCoy have returned from a month's visit in Chicago.

KENDALL CLUB—

The Kendall club will meet tomorrow afternoon with Mrs. Cleveland.

COMMUNITY WILL MEETING THEME

The fourth annual "Better Community" conference will be held at the University of Illinois, Urbana, October 2 to 5. Special emphasis will be given in this conference to Community Councils, which have been organized in various cities in Illinois to keep intact cooperation in community activities, that existed in wartime organizations during the war period. Friday is to be "Community Councils" day. Better homes, better farming, better business, education and the community are some of the themes to be considered.

NEW PHYSICIAN LOCATES IN FERGUSON BUILDING

Dr. A. T. Robertson, who has been in charge of the government hospital at White Earth, Minn., for the past four years, has located in Dixon at 215 First street and will be settled and ready for business October 1. Dr. Robertson at one time attended school here when the college was flourishing in the height of its prosperity.

George W. Johnson of Franklin Grove spent a few hours in Dixon this morning on business.

Borden's
EAGLE BRAND Malted Milk
Evaporated Milk

Serving the Cause

In the World War, as in 1861 and 1898 the Borden Institution provided America's Armies with milk—pure, safe and dependable.

Through more than 60 years the American consumer, like the American soldier, has found that the Borden Institution is built on an ideal—to provide milk in practical, convenient forms and of the highest possible purity and quality.

SANDRA THE JEALOUS

By JANE PHELPS.

SANDRA'S FATHER AND MOTHER VISIT HER.

CHAPTER LXXXVII

Perhaps fortunately for me, father and mother came to visit us just at this time. They came a little sooner than they had expected, as father had a little business to attend to in Hendon. So, as he said, "I will kill two birds with one stone."

Everett was perfect, just perfect. You see he was just father's age, and they talked business together. Then he was so nice to mother. He didn't call her "mother," of course—that would have been too silly, as he was older than she. But he called them both by their first names. They talked it all over right before me and decided that was best. I felt so queer and as if I didn't belong some way.

I longed to tell mother of Leola's letters and of how they had affected me. I had not yet the courage to read any more of them. But mother would have been shocked that I would read a letter not intended for me; so, altho I felt I had the right because I was Everett's wife, I did not like to tell her I had done so.

Mother and Mrs. Gray got on famously. I overheard mother say to her:

"I think my daughter extremely fortunate to have you to help her in all the things of which she was so ignorant. She is so young." The sigh with which mother always spoke of my age accompanied the words.

"She is very adaptable. She is also very lovable," Mrs. Gray said.

Mother sighed again. Then replied:

Yes—I think she is. But she has so much to learn, that there is much in married life which calls for trust and forbearance. I have wished she had waited until she was older, while feeling she is safe with Everett—Mr. Graham.

"He is very fond of her."

"I am glad to hear you say so. I shall go home much happier, Mrs. Gray, for having met you, and knowing you are with Sandra."

From that moment, Mrs. Gray was a strong partisan of mother's, and often spoke of her in the most complimentary terms, which naturally pleased me immensely, especially when she talked before Everett.

I was really almost happy while father and mother remained. We entertained for them, and some of Everett's older friends did also. We went to the theatre and the opera, did everything that could be done for their pleasure. Everett did. I was grateful.

But as soon as they left, all my old forbodings returned. Everett did not love me. I thought, leaden-hearted. I had said it a hundred times. And now I began to wonder, what happened then when a man didn't love a woman, and yet was married to her.

"I'll never let him leave me, never give him a divorce," I said to myself, scarcely knowing what a person had to do or leave undone to be divorced. "I would rather he would beat me than be so indifferent. It would be better to have him cruel, than to feel he was loving her all the time. I've not lost him—I never have really had him," I as-

sured myself. The old wonder as to why he had married me obtruding—as to why he wanted to marry me, "It is too late to do anything. He loves Leola," I thought.

Had I thought of it at all, I would have said—before I married Everett that married people were always happy. It was something I, girls of my age, are apt to take for granted. If I had married a man of my own age, I might have found it at once—as I expected. But I think all girls are more flattered when an older man shows them attention, especially a charming man of the world like Everett. We are flattered by their knowledge, flattered that they notice us.

It isn't until after they are married

that the youth of one makes for unhappiness, even though they have everything money can buy and a home everyone envies. It isn't only—as I have found out—that the older man cannot understand the young girl. It is more often that the young girl cannot either understand the older man or appreciate his point of view. So they go on blindly until they resign themselves to their unhappiness or until something opens their eyes to what the other is trying to be and do.

Another thing I have found out—it is usually the wife who is blamed if there is trouble. Especially if a man is socially prominent and liked by his set. Tomorrow—Second Wives are Usually Sensitive.

O. M. Rogers went to Beloit this morning to spend the day transacting business.

Heals is a wonderful remedy for aching tired feet—used by thousands. Men and women who are on their feet a great deal will marvel at results.

PERFECT FITTING

MUNSING WEAR

UNION SUITS

They have become the most popular Union Suits in the world because of their unusual durability, their perfect fit and the price so reasonable that no one need go without them.

For cold weather comfort Winter Munsingwear can't be beat. We have many styles to choose from, and have not had a customer we couldn't fit perfectly. The fit won't wash out, if the garments are laundered properly.

A correspondent writes that the
English will put the Irish question on
the shelf for two or three years. Per-
sonally, we'd rather have a barrel full of
TNT on our shelves than the Irish
question.

One thing about these days of High
Cost of Living, it makes a fellow want
to keep on living a while just out of
curiosity to see if things can go any
higher.

Let us hope the strikers and the mill
owners get out of the trenches by
Christmas.

Secretary Baker says he is anxious to
retire. Not a word from Mr. Burleson.

BASEBALL

(Continued from page one.)

One run, one hit, no errors.

Second Inning.

SOX.—On Jackson's drive to Kopf
the latter threw wild to first and Jack-
son went to second base. Felsch sac-
rificed. Reuther to Daubert, Jackson
taking third. Gandil singled to center
and Jackson scored, tying the score.
Gandil was caught stealing. Wingo to
Rath. Risberg walked. Schalk fled
out to Rousch. One run, one hit, one
error.

REDS.—Kopf fanned. Neale was
thrown out. E. Collins to Gandil. Wingo
fled out to Felsch. No runs, no hits,
no errors.

Third Inning

SOX.—Cicotte fanned. J. Collins fled
out to Rousch. Kopf threw out Eddie
Collins at first. No Runs, No Hits, No
Errors.

REDS.—Reuther walked on four bad
ones. Rath sacrificed. Cicotte to Gandil.
Reuther going to second. Daubert fled
out to Jackson. Groh fled out to Jack-
son. No Runs, No Hits, No Errors.

Fourth Inning

SOX.—Weaver out. Groh to Daubert.
Kopf threw out Jackson to Daubert.
Felsch was thrown out. Kopf to Dau-
bert. No Runs, No Hits, No Errors.

REDS.—Rousch fled out to Felsch.
Duncan singled to right center. Cicotte
took Kopf's drive and threw to second
forcing Duncan. Risberg taking the
throw. Kopf scored when Wingo sin-
gled putting Neale on third. Wingo
went to second on the throw to the
plate. Neale and Wingo scored on
Reuther's triple to the center field
bleachers. Rath doubled to the left field
bleachers, scoring Reuther. Daubert
singled to right scoring Rath. Daubert
taking second on the throw in. Wilkin-
son replaced Cicotte in the box for Chi-
cago. Groh fled to Felsch. Five Runs,
Six Hits, No Errors.

Fifth Inning

SOX.—Gandil singled to center. Ris-
berg fled out to Rousch. Gandil holding
first. Groh took Schalk's drive and
throwing to Rath forced Gandil. Wil-
kinson forced Schalk at second, Rath
making the play unassisted. No runs,
One Hit, No Errors.

REDS.—Rousch fled out to Felsch.
Duncan singled to center but was out

attempting to steal. Schalk to Risberg.
Risberg threw Kopf out at first, after
making a great stop. No Runs, One
Hit, No Errors.

Sixth Inning

SOX.—Rousch made a great catch of
J. Collins' fly to deep center. Eddie Col-
lins was safe on a single which was too
hot for Reuther to handle. Weaver put
a Texas leaguer into right, on which
Eddie Collins took second. Jackson
went out on a grounder to Daubert, un-
assisted, putting Eddie Collins on third
and Weaver on second. Felsch fled out
to Neale. No Runs, Two Hits, No Er-
rors.

REDS.—Neale singled to center.
Risberg fanned. Reuther singled to
right. Neale going to second. Rath
fled out to Risberg and Neale was
doubled up. Risberg to Eddie Collins.
No runs, two hits, no errors.

Seventh Inning

SOX.—Gandil fled out to Neale. Ris-
berg went out. Rath to Daubert.
Schalk out. Groh to Daubert. No runs,
no hits, no errors.

REDS.—Daubert tripled into the
right field crowd and scored on Groh's
single into center field. On Rousch's
bunt Weaver threw wild and Rousch
went to second. Groh fled out to Jack-
son. Neale was safe. Groh taking third.
Duncan forced Rousch, but Groh scored.
Kopf hit into a double play, Risberg to Eddie
Collins, retiring Duncan and Eddie Col-
lins to Gandil, getting Kopf. Two
runs, two hits, one error.

Eighth Inning

SOX.—McMullin, batting for Wilkin-
son, singled to center. J. Collins fled
out to Duncan and McMullin was held
on first. Eddie Collins fled out to
Rousch. McMullin again being held on
first. Weaver fled out to Rousch. No
runs, one hit, no errors.

REDS.—Lowdermilk took the mound
for the Sox and Neale, the first man to
face him, singled to left. Wingo sacri-
ficed. Lowdermilk to Gandil. Neale
taking second. Neale scored on Reu-
ther's triple to the center field bleach-
ers. Rath went out to Gandil. Reuther
holding third. Daubert was hit on the
head by a pitched ball. He was dropped
but soon recovered and went to first.
Groh walked, filling the bases.
Duncan forced Rousch. E. Collins to
Risberg. One run, two hits, no errors.

Ninth Inning

SOX.—Jackson out to Neale. Felsch
fled out to Rousch, who made another
sensational catch. Gandil out. Rath to
Daubert. No runs, no hits, no errors.

DOMER TO MEET
POLOSKI IN GO
IN DIXON SOONWell Known Local Mat
Artist Arranging
Big Bout.

Floyd Domer, of Dixon, well known
heavyweight wrestler, has made ar-
rangements to meet Kash Poloski,
Polish heavyweight champion, on the
mat in Dixon under the auspices of the
Moose lodge very soon after Monday
evening's match between Dan Wolfe
and Joe Risberg.

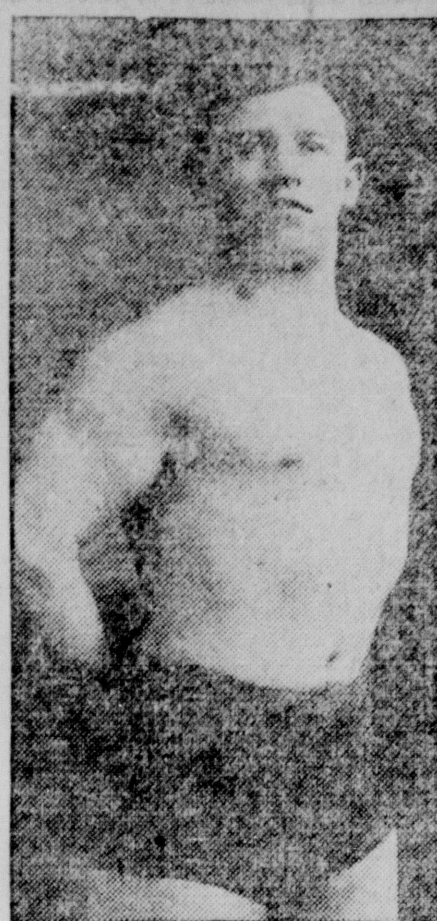

Domer, who has wrestled in Dixon
several times, and who is a former Polo
resident, is well known throughout this
part of the country. He is building up
a big reputation for himself and has
won some notable victories. He put
the "Mysterious Conductor" on his
back in three minutes at Rochelle.
Domer is in splendid condition at pre-
sent. His big frame is marvelously mus-
cled and he is in the pink of condition
for a big go.

Poloski, a 200 pounder, has spent the
summer traveling with a circus and
meeting all comers and this season he
is training with Charlie "Kid" Cutler.
Dixon fans will look forward to the
match with interest.

CLINTON HIGH TO
MEET DIXON TEAM
HERE ON SATURDAY

Dixon and Clinton, Ia., high school
foot ball teams, will meet in a game at
the Country club grounds here on Oct.
4th. Clinton is reported to have a fast
aggregation and a lively game is ex-
pected.

The contest will be Dixon's third
game of the season and the boys will
make a determined effort to put a vic-
tory to their credit in this meeting.
Their first game was a tie with DeKalb
and last Saturday they went against a
tremendous weight handicap at Free-
port and were beaten. The Dixon or-
ganization promises some fine sport if
given proper support by the people of
the city and Saturday's game should be
very largely attended.

Polish heavyweight champion who
will meet Floyd Domer, former Polo
boy now a resident of Dixon, in a fin-
ish bout at the Moose Hall in this city
in the near future.

Better Pitchers
Says Pat Moran

(By Pat Moran.)
Mgr. Cincinnati Reds.
By Associated Press Leased Wire
"We have clearly earned our way in

to the series and we will clearly earn
our way through it. I believe we have
the better pitching staff. In fact, I
do not know when a team went into so
great an event with so strong a string
of first-class hurlers. I have six men,
on any one of whom I can depend for
excellent service. My pitcher for the
opening game will be Walter Reuther.
The team deserves the lion's share of
credit for it is a great ball club, which
fought its way through the season
without a sign of faltering. We are
going up against a great ball club but
I think we will hold our own."

POSTPONED SUPPER.

The French club postponed its supper
from last night until a later date. The
members were to have gone to Grand
Detour for supper but gave it up on
account of the rain.

WOMAN FINDS JOBS FOR MEN.

By Associated Press Leased Wire
Washington, Oct. 1.—Miss Theresa
Haley, whose appointment as federal
director for Michigan has been an-
nounced by the United States employ-
ment service is said to be the first wom-
an ever entrusted by the bureau with
the task of finding jobs for men.

Gleason Confident
in White Sox Nerve

(By "Kid" Gleason.)
Mgr. Chicago White Sox.
By Associated Press Leased Wire
"My boys are a great bunch and they
are going to be very hard to beat. The
team battled its way through the
American league with such confidence
and such absolute nerve in all the
pinches that I have the utmost con-
fidence in each and every player. At
the same time I fully realize that we
are going to be submitted to a supreme
test in this series. I have known Pat
Moran for many years and he is a
tough man to beat. Also, any club that
could stand off the Giants as the Reds
did on three different occasions is go-
ing to be no easy mark for any club.
But I believe my pitchers have been
under estimated. We are here to win
and we hope to do so."

WHITE PLAINS, N. Y.—John
Mitchell, former president of the Unit-
ed Mine Workers of America, left an
estate of \$250,000.

The Super-Six Motor Gives
Hudson Its Endurance

It Is a Patented Principle Invented by Hudson Which
Reduces Vibration and Adds 72% to Motor Power

Hudson records for endurance stand un-
matched because of its exclusively used and
patented Super-Six motor.

That same principle is also responsible
for Hudson being the largest selling fine
car in the world.

No other car can have the Super-Six mo-
tor without Hudson's consent, because
Hudson invented and patented it.

It Prevents Motor
Self-Destruction

Motor vibration is minimized by the Su-
per-Six patented principle. It accounts in
part Hudson's smooth riding and for its en-
durance.

It also increases the useful power of the
motor by 72%. The power that is absorb-
ed within the motor in vibration, is through
the Super-Six principle, made available for
propelling the car.

Thus with a comparatively small motor,
the Hudson Super-Six has established en-
durance, speed and mountain climbing re-
cords never equalled by any other stock car.

Just See What
It Has Done

A Hudson Super-Six stock car three
years ago officially established the fastest
time for one hour and for 100 miles. A
stock chassis made the fastest mile at the
rate of 102½ miles an hour. Those records
stand unmatched.

The same stock chassis was driven by one
man 1819 miles in 24 hours.

The Super-Six has contested on the
speedway and in the most famous road
races with specially built racing cars.
Changes were made to fit it for racing, but
the principle by which vibration is minim-
ized in every Hudson accounts for its win-
ning in more championship events than any
car raced at the time.

Because of its endurance, Hudsons are
entered and make notable showings in ev-
ery important automobile race. They be-
long to race drivers whose only interest is

in a car that will win prizes. We have noth-
ing to do with their entries. They for the
most part, buy standard Hudson Super-Six
cars and make such changes in them as
they believe will best fit them for racing.

You, Too, Want That
Endurance

Super-Six tests were made not so much
with the idea of winning records as to es-
tablish the limits of its endurance.

Each harder test was a step up in the
trials, thinking it would show just how far
the Super-Six could be pushed before tear-
ing itself to pieces. But no test has yet
proved that. Not even did the trans-con-
tinental run from San Francisco to New
York to develop its endurance limits. In
fact, the seven passenger touring car, al-
though having made the run in 14 hours
less time than any car before or since has
made it, was turned back and completed
the round trip in 10 days and 21 hours.

But a thing those tests did help in doing
was to bring the Hudson up to the stand-
ard of the Super-Six motor.

Such a motor required better car design,
better axles, better qualities and higher
standards than were needed with the usual
type. It resulted, finally in the present
Hudson Super-Six.

60,000 Owners
Also Helped

Present models also show how owners of
60,000 earlier models have helped develop
the Hudson.

There are close to 10,000 of the present
type now in service. Note how, though
not materially different, they reflect the
fineness and smoothness that is possible
through such experience.

It explains why Hudsons have been for
four years the largest selling fine car.

It shows why it is important to reserve
your Hudson in advance of your actual
need for it. Thousands of buyers have
waited months to get the Hudson of their
choice.

FOREIGN TRADE NEED FOR U. S. PROSPERITY SAYS BANKER LEADER

Maddox at St. Louis Meet Says We Must Give Credit Abroad.

By Associated Press Leased Wire
St. Louis, Mo., Sept. 30.—The future prosperity of the United States rests upon continuation of foreign trade, Robert F. Maddox of Atlanta, president of the American Bankers' Association, asserted in opening the general business sessions of the association's annual convention here today.

Mr. Maddox pointed out that exports have declined rapidly in the last two months, and emphasized that everything possible must be done to increase trading with alien nations, even though it be necessary for the United States to provide additional credits to European countries through the medium of a governmental loan.

Saying Europe would require a large amount of American products in the near future, Mr. Maddox expressed the opinion that payment probably would be made in some form of time obligations, either securities of governments, municipalities or industrial enterprises, or perhaps all.

Sees Cheaper Living.
He expressed the belief that the peak of high prices had been reached and that the cost of necessities would decline shortly.

Touching on the labor situation, Mr. Maddox stated that the issues confronting American people are whether the government or the labor unions shall be the more powerful.

"By giving all employees a larger share in the profits and a greater voice in the management of the business," he said, "labor unions will be broken up. Another issue we must consider is whether labor unions will completely dominate business enterprises."

Says Roads Are Injured.
Mr. Maddox said he hoped congress would act on the peace treaty shortly, so it could turn its attention to the railroads.

"We know that the railroads have not received fair treatment from the rate making powers," the speaker continued, "and by denying them reasonable returns on their investments, their credit has been largely destroyed."

"Their physical condition had declined before the government took them over and under government operation it has not been improved and their expenses have increased by leaps and bounds."

Outlining advantages of Pan-American trade, John Barrett of Washington, director general of the pan-American union, warned that unless American financiers took a keener interest in Latin-American trade they would be supplanted by European and Asiatic institutions.

GRACE U. E. CHURCH NOTES.
The special music at Grace church last Sabbath was greatly appreciated. In the morning James Cleidon sang with ease and sweetness a beautiful solo, "The Homeland," and in the evening the Harmony Quartette delighted the audience with the selection, "Heaven is My Home."

Be among the company which will gather for prayer at 7:30 Thursday evening. If you come once you will desire to come again.

The choir will meet immediately after the prayer service.

Rev. C. G. Unangst spent Tuesday in Freeport in the interests of the Forward Campaign of the United Evangelical churches.

HOW A SICK DOCTOR REGAINED HIS HEALTH

Young doctor 27 years old was told by several eminent physicians that he could not live, but discovered a remarkable formula that restored his health.

In 1898 Dr. A. L. Reusing of Akron, Ohio, had just completed his course at medical college. He had paid his way through medical college by working nights as a telegrapher. Overwork and overstudy had undermined his health, and he consulted many specialists, but they all pronounced him incurable and said that he could live only a few months.

But Dr. Reusing determined that if he must die, he would find the cause, since none of the physicians could diagnose his disease positively.

Knowing that without oxygen the body dies, he began a thorough investigation of the effect of oxygen on the blood. He studied Prof. Virchow's famous "Cell Theory" which proves that the body is only a collection of cells and that there are twelve cell-salts that nourish and maintain the cells of the body. Just as a flower droops and dies for lack of water, so the cells wither and die for lack of their natural cell-salts.

He knew that the red blood cells carry the iron in the blood and that iron attracts oxygen just as a magnet attracts steel. He learned that by increasing the amount of iron in the blood the iron attracted the oxygen from the air in the lungs into the blood exactly as the magnet attracts steel. He found that oxygen oxidizes or burns up the impurities, germs, and torn-down cells that are found in the blood.

GARY REPLIES TO TESTIMONY OF LABOR MEN

(Continued on Page 5.)

received his injuries," said the affidavit, "and he said they were not caused by any agents of the steel corporation."

"He was injured by a member of the I. W. O. faction which was endeavoring to gain control of the organization. I wish to refute most emphatically the charge of Mr. Gompers that his death was caused by any agent of the United States steel corporation. He died one year later of cancer resulting from the wound."

Judge Gary then took up the statement of John FitzPatrick, chairman of the steel strikers committee, that men had been killed at Hammond, Ind., during the steel strike.

"We have on connection with the Standard Steel company there," he said, "and had no connection with the incident."

"This strike has been conducted in many respects like other strikes," Mr. Gary continued. "Only worse in some of its features. The large majority of our workmen were not desirous of engaging in a strike. They were not members of any labor union, having declined to become such year after year."

Mostly Good Citizens
"Throughout the war, our workmen were loyal. While it is true that there is a radical element of foreigners at the present time, it is only doing justice to say that in my opinion, the majority of the foreigners were good citizens."

"Do you mean by 'foreigners' those not naturalized?" asked Chairman Kenyon.

"I include all foreign born."

"What proportion of men of foreign birth have you?" asked Mr. Kenyon.

"I can not give you that now, but will later," said Mr. Gary.

"Are about half foreign born?" asked Mr. Kenyon.

"That might be true," the witness replied. "I'll present some exhibits to show that foreigners among our employees are engaged in welfare work which will set aside any theory that they are unwilling or mistreated workers."

Were Forced to Strike
"The men did not strike of their own volition," continued Judge Gary. "They were taken out by the constant effort of union leaders to bring about a strike. Threats had been made—we have a great deal of hearsay testimony that families were told their children would be killed, their houses burned if the men didn't go out. Large numbers of men remained away from work because they were afraid."

23 Per Cent Struck
"If you exclude those, who did not think there was sufficient protection, I think it is fair to say that not over 23 per cent of our employees struck. If you include them the total away from work was about forty per cent."

Judge Gary said the men were returning to work. "More returned yesterday than on any day since it started," he said.

Senator McKellar, democrat, Tennessee, said it was contended that the hours of labor in the steel mills were unusually long.

\$4.62 Lowest Wage
"I want to refer to wages first," said Judge Gary. "The lowest wage rates paid by the corporation to unskilled labor working ten hours a day are 42 cents per hour in our basic eight hour day plan—42 cents per hour for ten hours and for the hours over 8, time and a half is paid. That is at a rate of 63 cents an hour, making \$4.62 per day."

"That is the cheapest pay for men. Some boys may get \$3 a day."

"The highest earnings, of rollers, is \$32.56 per day. They roll the hot metal into sheets."

"Is that the average pay to the rollers?" asked Senator Kenyon.

"No, that is the highest," said Mr. Gary. "The general average wage of all manufacturing plants, not including executives, administrators and salesmen, on July 1, 1913, was \$6.27 per day."

He explained that some men work eight, some ten and some twelve hours a day. Men are permitted to work only eight hours if they desire, he said, when the labor is unusually hard.

"This question of hours is important," he observed, "and I desire to go into it fully later."

HEAVY RAIN VISITS VICINITY IN NIGHT
An exceptionally heavy rain visited this section last night, but as far as has been learned, did no damage. The water fell in torrents just before midnight and taxed the storm sewers to the utmost, while numerous citizens reported damaged wall paper, due to water running down the chimneys. The work on the road improvements between Dixon and Sterling will be delayed a few days until the road dries out.

Messrs. Vizay and Furstenau, of Milwaukee, spent Monday and Tuesday in Dixon.

ANOTHER DIXON CASE
It Proves That There's a Way Out for Many Suffering Dixon Folks.

Just another report of a case in Dixon. Another typical case. Kidney ailments relieved in Dixon with Doan's Kidney Pills.

G. Stieling, 1206 W. Sixth St., says: "I have been a stone mason for several years and it has been pretty hard on my back at times. I blame the heavy lifting for my kidney trouble. One day while lifting a stone, I was suddenly seized with a sharp, shooting pain across my back. I kept going for a month, unable to work. My kidneys were in terrible shape and I had to get up at night to pass the secretions and they contained a brick dust-like sediment. I used Doan's Kidney Pills and they cured me. I have no need of a kidney medicine now, as Doan's have made a permanent cure."

PEOPLE'S COLUMN

A PROTEST.

Editor, The Telegraph.—Why has the Triumphal Arch in this city, erected to our returned heroes, been turned into a recruiting advertisement for the Y. M. C. A.? I am utterly opposed to this kind of desecration. The Y. M. C. A. made their mark during the war. Why not stand on its own foundation. And I trust our city dads will prohibit the future use of this memorial for advertisements.

POLO MAN NAMED OGLE TRUANT SUPT.

Prof. Don Smith, of Polo, has been appointed Ogle county truant officer by Supt. John E. Cross and the county board has confirmed the appointment. Prof. Smith begins his duties today and is classed as an assistant superintendent of schools under the new state law. The salary paid the Ogle county truant officer is \$100 per month and \$35 a month traveling expenses.

C. A. Dimick, of Route 3, was in town yesterday. Mr. Dimick has just returned from a cattle-buying trip to St. Paul.

30 YEARS AGO IN DIXON TELEGRAPH

The Telegraph announced that Chicago concerns were planning to build the first elevated railroad in that city and that a company had been formed to build a wagon bridge over the Mississippi river at Fulton.

Prof. C. A. Murch of Dixon left for an extended vacation visit in Nebraska. Michael Tague severely cut his wrist with a sharp butcher knife, several stitches being required to close the wound.

The wedding of Jules P. Brechon and Miss Margaret Ulrich was celebrated at the home of the bride's parents near Harmon.

TEN YEARS AGO IN DIXON TELEGRAPH

J. F. Kindig discontinued his Hennepin avenue garage.

The first cargo of grain over the Hennepin canal was shipped from Sterling to Pekin, Ill.

Jacob Goldberg's Dementtown livery stock sold at public auction.

Dick Phillips, of Nelson, was in town this morning.

Barry Lennon returned last night from a business trip to Chicago in connection with the new bank.

Mr. and Mrs. R. W. Thompson have gone to Prophetstown for a few days' visit with relatives.

No Needles to Change
Even Records of All Other Makes
Sound More Human When
Played on The New Edison

If you've ever heard Arthur Fields on the vaudeville stage, you know what a popular favorite he is; how he "puts over" every song he sings. The illustration is from a photograph taken at the Edison Recording Laboratories and shows Mr. Fields standing beside the New Edison and singing in direct comparison with the Re-creation of his voice. At the table are seated three experts, who pass on each Edison recording. In the group surrounding them are several popular Edison artists who happened to be at the Edison Recording Laboratories when this test was made. Among them are Collins and Harlan, world-famed singing comedians; George Wilton Ballard, the popular ballad singer; Cesare Sodero, Director of Sodero's Band; and Eugene Jaudas, Leader of the Jaudas Society Orchestra.

When this critical assemblage heard this remarkable test, they exclaimed in one accord, "It's you, Arthur." The New Edison has never failed, in similar comparisons, to bring forth a similar verdict. None but Mr. Edison has ever dared such a test.

Just Buy a Few Records Have the New Edison In Your Home

You can have Mr. Edison's wonderful instrument which Re-Creates music on this wonderful offer. Buy only a few records now and we'll send The New Edison to your home at once. Enjoy its exquisite music for a whole month in your own parlor. Have no thought of payment while you try the instrument. GPZAT PROGRAM FOR DIXON Y. M. C. A. GYM

The Physical Department activities of the Y. M. C. A. for the season 1919-1920 will start October 6th. The schedule of gym classes, which is given below, provides an opportunity for all classes of the membership to participate in the physical work of the association. The classes this year will be conducted in a systematic and progressive manner, special attention being given to calisthenics or setting up exercises. These exercises while not recreative are snappy and full of pep and when taught to the tune of a well tickled piano are certainly not a bore. And furthermore from a physical standpoint they are vastly more important than the games of volleyball, basketball, indoor baseball, etc.

The present day city life makes imperative some form of exercise other than that which men get in their daily occupation, in order that the vitality and health be maintained. A machine is as strong as its weakest part. The same is true of the human machine and the best and only way to be at the height of one's mental efficiency is to see that one's physical efficiency is at its best. Regular systematic exercise of the right sort will get you there. Ordinarily this kind of exercise is thought of as work but in the gym classes it becomes as near pleasure as is possible. During the winter months the gym classes give an opportunity to men and boys to obtain and retain this physical efficiency and at the same time, thru the different games, to have a world of fun and frolic. Sometimes there is a tendency on the part of some to neglect calisthenics for games, which certainly is not getting them an all around development. For the benefit of those who are for "All Play" a Physical Director in Ohio wrote the following article:

"When you and I were young and inexperienced we were wont to consider pie, cake and ice cream a dietetic unit. Bread, meat and potatoes were just stuff invented by parents to fill a fellow up with so there would not be room enough for the 'real' food."

In your line of work you are considered an expert, but when it comes to the question of exercise I may be able to give you some advice and here it is: Volley ball, basketball, handball or indoor baseball are not ALL the exercise you need. Fine in their way, but not a properly balanced diet. While you are paying for it and taking the time why don't you treat yourself to the whole banquet from soup to nuts? If you take only the games you are getting nothing but dessert. Medicine balls, calisthenics, stall bars and dumb-bells are of much more value to you than games."

The gym classes with their hours and a brief description of the work of which they consist are as follows:

Business and Professional Men—Monday, Wednesday, Friday, 5:15 p. m. Class work consists of short snappy calisthenic drill followed by volleyball. Noon Class—Monday, Wednesday, Friday, 12:15. For business and professional men who cannot make the 5:15 class or who prefer this hour. Work same as 5:15 class.

Seniors—Monday and Thursday 8:30 to 9:30 p. m. for young men 18 to 25—Calisthenics, apparatus work followed by basketball or indoor baseball.

High school and Intermediates—Monday, Thursday, 4:30 to 5:00 p. m. For high school students and intermediates, ages 14 to 17. Work same as for Seniors. Employed Boys, Tuesday, Friday, 7:30 to 8:30 p. m.—For new boys, boys who work all day and for boys who work after school, ages 12 to 17. Largely recreative work with some corrective calisthenics and apparatus work.

Junior A—Wednesday 4:30 p. m. and Saturday 10:15 a. m.—For Juniors age 12 and 13. Calisthenics, floor games, apparatus work, basketball and indoor baseball.

Junior B—Tuesday 4:30 p. m., Saturday 9 a. m.—For Juniors age 10 and 11. Short calisthenic drill, floor games, marching, etc. Largely play.

The work in all classes will be varied and interesting and the dumb-bells, Indian clubs, wands, mats, stall bars will all come in for their share of the fun.

Boxing and Wrestling

A special class in boxing and wrestling will be organized and will meet on Tuesday evenings at 8:00 starting on or about November 6th. This class will be open to all classes of the membership from 12 years up and should be popular with the boys who wore the O. D. Dan Wolf, the local mat artist will have full charge of this work and what Dan can't show the boys in this line of exercise isn't worth showing.

Medical and Physical Examinations

As a matter of precaution all boys, and all men who desire, will be given a medical examination by the medical board of the Y. This examination is for the purpose of ascertaining whether or not a man or boy is able to take part in the class work, play basketball, etc. The board is not as yet completely organized but will be by the time the gym opens. Blanks for this examination can be had at the Y, together with other information on this subject.

Physical examinations also, consisting of measurements of the different parts of the body, will be given by the physical director to those who wish to know how much they have developed from time to time during the season.

The physical department this year is in charge of the following physical department committee: E. B. Raymond, chairman; W. G. Kent, H. M. Rabin, Geo. D. Laing, Dr. Geo. McGraham, M.

Forsyth, T. J. Gullion, Dan Wolf and Fred Vaughn. Physical Director Kuhn will have direct supervision over all gym classes and other activities of the department.

EXAMINATION FOR CENSUS CLERKS TO BE HELD IN DIXON

On October 18 and November 15 examinations will be held at the Dixon postoffice by the examiner, Austin Smith, for "clerk, bureau of the census, male and female." All appointments will be temporary and subject to termination as the exigencies of the service may require, but it is expected that the term of service will last for from one to two years, but will not extend beyond June 30, 1922. Eligibles will be divided into three classes: (a) Those who have been graduated from college or university of recognized standing; (b) Those who have graduated from a standard high school or completed a course of study equivalent, plus one year's business experience; (c) Those who do not qualify under (a) nor (b). The test will be made in spelling, arithmetic, penmanship, letter writing, copying and correcting manuscript. Applicants must be between the ages of eighteen and fifty.

Berkman's Term in Prison Completed

By Associated Press Leased Wire
Atlanta, Ga., Oct. 1.—Alexander Berkman, who was convicted with Emma Goldman for conspiracy to obstruct the army draft, concluded his term in the federal penitentiary here today and announced he would leave later for New York, where both will face deportation charges. Berkman is a native of Russia. Miss Goldman finished her term in the Jefferson City, Mo., federal prison several days ago, and Berkman planned to join her in New York. They have each deposited \$15,000 in liberty bonds as bail pending disposition of the deportation charges. Berkman's attorney announced.

Farmers should have their return card printed on their envelopes. We can do it for you. B. F. Shaw Pig. Co.

SALVATION ARMY'S DRIVE TO CONTINUE

State Officials Have Decided to Maintain It Until Oct. 4.

The Salvation Army's Home Service campaign in Illinois will be continued through the week ending October 4.

The response to the Army's call for funds to finance post-war conditions here at home has been general and generous, but owing to the fact that the organization did not get fully into swing in the originally allotted period—Sept. 22 to 29—the campaign committee headed by Francis S. Peabody, and made up of public spirited citizens of all sections of the state, decided to extend the campaign so as to give everybody an opportunity to express practical appreciation of the Army's wonderful service overseas and to aid in alleviating suffering among the poor and unfortunate within the borders of Illinois.

An outstanding feature of the Home Service campaign to date has been the wide and general distribution of contributions to the Salvation Army fund of which that part of Illinois outside of Cook county is counted upon to provide 750,000. All classes of the population have "come forward" willingly, but owing to the pressure of business and the inability of campaign workers to devote all their time to the campaign, it has been impossible to cover the field thoroughly—hence the extension of the campaign period.

That every Illinoisan who can contribute to the fund will do so, is the confident belief of the campaign managers for everybody is familiar with the great good the Salvation Army has done among the needy and unfortunate men, women and children of our land, and everybody knows that the Army members, who have consecrated themselves to the great humanitarian endeavor, will see that every cent contributed will be wisely and judiciously spent.

While the wartime work at home was very important, much of it was lost sight of while the great conflict overseas was raging.

"Every cent of money raised in this campaign will be spent in Illinois," said Staff Captain C. A. Ryan, who is actively directing the drive, "and the

money raised outside of Chicago will be spent on the work outside of that city. Necessities arising as a result of the war are very pressing, and the Salvation Army is best fitted to meet them. I hope, and I feel that all of Illinois hopes that we may be enabled to care for the needy and suffering in this state this winter as they should be cared for." No man or woman is ever "down and out" in the eyes and thoughts of the Salvation Army. Do your best to aid the army to put tottering humanity on its feet.

DAYLIGHT SAVING ENDS THIS MONTH

By Associated Press Leased Wire
Washington, Oct. 1.—General uncertainty as to when the clocks of the nation may be turned back and daylight saving abolished seems to have resulted from the recent action of congress in repealing the daylight saving act. In answer to numerous inquiries officials have pointed out that clocks may not be turned back until the last Sunday of October, or October 26 at 1 a. m.

of said ordinance and has been duly accepted by said Board.

The final cost of said improvement and the amount estimated for interest as shown on said certificate are as follows:

6,744.6 linear ft. of curbing at Sixty (60) cents per linear ft. \$4046.76; 20,466.4 sq. yds. of cement concrete pavement at Two and 4/10 Dollars (\$2.04) per sq. yd. \$41751.46; 75 cement concrete driveways of 60 sq. ft. each at Fifteen (\$15.00) each \$1125.00; 7 catch basins at Thirty-five Dollars (\$35.00) each \$245.00; extra labor and materials for repairing and replacing old pavement to properly connect same with this improvement \$121.75; 328 linear feet of cement concrete headers for protection of exposed edges of pavement at Thirty (30) cents per linear ft. \$98.40; 1264 sq. ft. of cement sidewalk in extensions of walks to connect with improvements at Sixteen (16) cents per sq. ft. \$202.24; total cost of work \$47596.61; lawful expense \$1528.34; total cost of improvement \$49124.95.

PUBLIC NOTICE is further given that the Court has set said certificate and any objections that may be filed therein for hearing at 9 o'clock in forenoon on Monday, the 20th day of October, A. D. 1919, or as soon thereafter as the business of the Court will permit.

Said hearing will be held in the County Court Room in the Court House in the City of Dixon, County of Lee and State of Illinois.

Any person interested may file objections before the time set for hearing and appear and show cause why said petition shall not be taken as true.

Dated this 29th day of September, A. D. 1919.

DAIRY COWS at Public Auction

On account of shortage of feed in Fayette county, Ill., the undersigned will ship a carload of Dairy Cattle from there to Amboy, which will be sold at Public Auction at the Lee County Fair Grounds on

Saturday, October 4, 1919

Sale to Commence at 1 O'clock P. M.

In this lot are Holsteins, Jerseys and Red Shorthorns, ranging in age from 5 to 9 years old and warranted free from disease. These cows come from a dairy country and are a choice lot. Their sale was made necessary on account of the drought in the section from which they were shipped. These cattle are to arrive on Thursday night and may be inspected by any one interested, before the sale.

TERMS—Six months' time will be given on bankable notes bearing 6% from date of sale. No property to be removed until settled for.

JOHN N. GENTRY, Auctioneer.
R. W. RUCKMAN, Clerk.

TO BE SOLD AT PUBLIC SALE

Saturday, Oct. 4, 1919

This offering is one of the very best we have offered for sale and consists of young boars and gilts, with the famous rich strain of blood of "King, the Col." and "Grand Model" crossed with the popular blood of "Orion Cherry King."

Many of these young boars are large enough now to head any herd and their breeding entitles them to that place.

The sale will be held at Ericson Bros. Garage, and will be held rain or shine. Sale begins at 1:30 p. m.

Band Concert by Parks School Band 12 to 1 p. m.

A. L. Parks & Son

together with the prompt arrival of fire fighting apparatus from Belvidere and Rockford, saved Cherry Valley from a disastrous fire Saturday afternoon. A house and sales stable were all the buildings destroyed, although many others were scorched and charred by the flames.

DE KALB—C. W. Holland, street sprinkler at DeKalb, narrowly escaped death Monday morning when the buggy in which he was riding, was struck by a North Western passenger train. He was thrown fifty feet but was able to get up and walk away from the scene of the accident, his only injuries being bruises and abrasions. The buggy was demolished.

LAVA STREAM REACHES SEA
By Associated Press. Lined Wire.
Hilo, T. H., Oct. 1.—A stream of lava from 800 feet to one mile wide and three miles long is pouring from the 13,000 foot crater of the volcano Mauna Loa, on the opposite side of the island of Hawaii from this city, into the sea today.

Once Texas quit the Union and she was herded back, pronto. She's been a little sore ever since and is getting even now, soaking the rest of the states with oil stock which is worth more or less—generally less.

BELCHING

Caused by Acid-Stomach

Let EATONIC, the wonderful modern stomach remedy, give you quick relief from disgusting belching, food repeating, indigestion, bloated, gassy stomach, dyspepsia, heartburn and other stomach troubles. They are all caused by Acid-Stomach from which about nine people out of ten suffer in one way or another. One writes as follows: "Before I used EATONIC, I could not eat a bite without feeling it right up, sour and bitter. I have not had a bit of trouble since the first bottle."

Millions are victims of Acid-Stomach without knowing it. They are weak and ailing, have poor digestion, bodies improperly nourished although they may eat heartily. Grave disorders are likely to follow if an acid stomach is neglected. Cirrhosis of the liver, uterine catarrh, gastric catarrh of the stomach—these are only a few of the many ailments often caused by Acid-Stomach.

A sufferer from catarrh of the stomach of 11 years' standing writes: "I had catarrh of the stomach for 11 long years and I never found anything to do me any good—just temporary relief—until I used EATONIC. It is a wonderful remedy and I do not want to be without it."

If you are not feeling quite right—lack energy and enthusiasm and don't know just where to locate the trouble—try EATONIC and see how much better you will feel in every way.

At all drug stores—A big box for 50c and your money back if you are not satisfied.

CORN STRONGER DURING MORNING

By Associated Press Leased Wire

Chicago, Oct. 1.—Rains which threatened to interfere with the curing of the new crop and to delay the movement from first hands had a tendency today to lift the corn market. A slight upturn in foreign exchange rates was also an advantage to the bulls. Advances, however, were checked by prospects that monthly reports soon to be issued would show the condition of the corn crop to be fully equal to last month's government figures. Opening prices, which ranged from the same as yesterday's finish to 1/4c off, were followed by a little further ease and then by moderate gains all around.

Some demand from the seaboard helped to strengthen the oats market. After opening unchanged to 1/4c lower, including Dec. at 69c to 70c, prices scored a fair advance.

Lower quotations on hogs weakened provisions. Support was lacking. Subsequently, predictions that banking arrangements to grant commercial credits of Europe would soon be completed had a stimulating influence. The market closed unsettled, 1 1/2c to 2c net higher, with Dec. 1.26 1/4 to 1.26 1/2 and May 1.24 1/4 to 1.24 1/2.

Chicago Livestock.

By Associated Press Leased Wire

Chicago, Oct. 1.—Hogs receipts 12,000 mostly 25c to 40c lower; heavy 15.00@16.50; medium 15.50@16.75; light 15.75@16.75; light 15.25@16.25; heavy packing sows, smooth, 14.25@15.00; packing sows, rough 13.75@14.25; pigs 14.75@15.75.

CITY BRIEFS

Tonsillar Operation—Mrs. Wm. Fane submitted to a tonsillar operation at the Dixon hospital this morning.

Had Operation Saturday—Miss Louise Moline underwent a critical operation for appendicitis at the hospital Saturday. Her condition is reported to be good.

Attended Funeral—Mrs. Griesle, Geo. Krug, Casper Krug, and John Krug were among those from Dixon attending the funeral yesterday of Miss Emma Krug at Ashton.

Experienced help wanted in the dressmaking department of the Hess Millinery. 22813

A. F. & A. M. Special—A special meeting of Friendship Lodge No. 7 A. F. & A. M. will be held at 7:30 o'clock tomorrow evening for work.

Collar Bone Broken—Clifford Gumm, son of Mrs. Frank Messer, is suffering from a broken collar bone, sustained while playing football the other evening after school. He still attends school as the injury has not confined him to the house.

At Chicago Funeral—Rev. C. G. Unangst was called to Chicago today to officiate at the funeral of a former parishioner, Mr. Lung, who died very suddenly, passing away after saying farewell at the depot to his sister who was leaving for Germany.

Wrestler Is Here—Joe Risberg, of Galesburg, champion welterweight wrestler of Illinois, who will meet Dan Wolfe of this city in a match at the Moose club Monday evening, arrived in Dixon today with his manager, C. E. Pape, and will remain here until after the bout. Risberg says of eleven bouts he had in September he lost but one, a handicap event in which he failed to throw his opponent twice within an hour.

Recent Movings—J. H. Dunavan and family have moved from 112 E. Fellows street to 315 North Ottawa avenue. Mr. and Mrs. S. D. Minor and daughter have taken up their residence at 517 Crawford avenue, moving from 318 N. Galena avenue. The W. H. Herbon family are now residing in the second floor flat at 118 E. First street, moving there from 1903 First street. Mr. and Mrs. H. W. Martin have moved from 308 Chamberlain street to 520 N. Crawford avenue. Mr. and Mrs. P. Moerschbacher are now living at 303 Galena avenue, in the flat vacated by Mr. and Mrs. Herbert Nichols, who have returned to their former home at 816 East Second street.

Old Resting Place Gone—The march of progress always hits someone a jolt in the neck, and therefore the improve-

ments being made at the old Schuler building for the new Dixon Trust & Savings Bank, which will soon occupy the room, are causing discontent among many men of this community. For years the iron railing at the east side of the building has been a favorite perching place for scores of men who delighted in standing about the corner and watching for the haps and mishaps. That railing has been taken down and the sidewalk built up to that building, and now the devotees of that iron railing are forced to hunt some other resting place.

DIXON YOUNG MAN DIED AT PAW PAW

Mrs. E. S. Allen of 510 E. Morgan street has written friends from Paw Paw, where she was called over a week ago by the serious illness of her son, Aranda P. Allen, to the effect that the young man, who was a former resident of Dixon, passed away last Wednesday after a three days illness. Funeral services were held at Paw Paw Friday, with burial in the Paw Paw cemetery. The Allen family, prior to their moving to Dixon, lived on a farm near Paw Paw and a year ago in March the deceased returned to the homestead farm to operate it. Particulars of his illness and death have not been learned by friends of the family here.

PERSONALS

T. L. Geiger of Route 6 was in Dixon today.

Look at the little yellow tag on your Telegraph. The day your subscription expires is the day your name will be taken off our list. Send check or postal order if you wish the paper continued.

Have you seen Mr. C. E. Gaddis the MAJESTIC range demonstrator? He will be here all week. Have him show you the greatest improvement ever put on a range, at E. J. Ferguson's Hardware Store.

Hugh Breunier, of Franklin Grove, was a Dixon caller today.

Rowland Bros. pay the cost of a trial by refunding your money if Hyomel fails to relieve that cough or cold you have.

Mr. Heisey, of Franklin Grove, was a Tuesday caller.

James Morrissey, of Harmon, was a business caller Tuesday.

Mr. and Mrs. William Underwood, of Nachusa, were in town yesterday.

Miss Anna Emmert, of Nachusa, was a morning shopper.

Rev. John McCulloch, of the Nachusa Orphanage, was a morning visitor.

Mr. and Mrs. Upham, of New York, are guests at the Nachusa Tavern.

Dr. F. M. Banker, of Franklin Grove, was a business visitor in Dixon today.

A. M. Honens, of Sterling, was a business visitor in this city yesterday.

ROCHELLE CELEBRATION.

Tangible evidence that Rochelle's Fighters' Barbecue is in the offing is to be noted in the tag day that was held Saturday to help meet the expenses that will be incurred for the October 9 celebration, and in the erection of the victory arch now under construction at Washington street and Lincoln avenue.

Jury is Excused—Activity in the circuit court was limited today, Judge Heard excusing the jury until tomorrow morning. The case against Charles Bishop for the theft of a saddle, which was set for trial this morning, was continued for a few days.
